Brent Hagenbuch Supports Pres. Trump's Movement to Make America Great Again

Brent knows that Texas remains the place that all America wants to be. He will fight the woke cultural decline infecting corporate and government institutions, support law enforcement, and maintain Texas' commitment to border security.

“Brent will help me secure our southern border, keep Texas’ booming economy the envy of the nation, and further cut property taxes for all Texans. Brent will be a great addition to the Texas Senate.”

– Governor Greg Abbott
